EXTRACTS FROM "THE CANADA GRAIN ACT" GIVING DEFINITIONS OF THE DIFFERENT KINDS OF ELEVATORS, ALSO TRACK BUYERS, GRAIN COMMISSION MERCHANTS, AND GRAIN DEALERS

" 'Country Elevator' means any elevator in the Western Division in which grain is stored or from which it is discharged before it has been inspected and graded under this Act."

" 'Eastern Elevator' means an elevator situate in the Eastern Division."

" 'Elevator' means any premises into which western grain may be received, or out of which it may be discharged, directly from or into railway cars or vessels, and, notwithstanding anything contained in any other general or special Act, includes any such premises owned or operated by His Majesty either directly or through any individual public body or company."

" 'Mill Elevator' means an elevator in the Western Division which is operated by a person engaged in the business of manufacturing grain into some other product into which there is received no grain purchased from growers thereof otherwise than for cash paid before or at the time the grain is received and from which no grain is discharged otherwise than for consignment to a manufacturing plant operated by the manager of such elevator."

" 'Private' when used with respect to an elevator, means an elevator which is either used by the manager exclusively for the storage or handling of grain belonging to him alone, or, when the manager is a co-operative association of grain growers, or is a company controlled by one or more such associations, is used by such association exclusively for the storage or handling of grain either belonging to it or produced by or received from some one or more of its members."

" 'Public,' when used with respect to an elevator, means any elevator other than a mill elevator, a private elevator, or a semi-public elevator."

" 'Semi-public,' when used with respect to an elevator, means any elevator not being a mill elevator or a private elevator, the manager whereof is expressly permitted by the terms of his licence as such manager to bin as he sees fit any grain except wheat graded in any of the four grades first specified in Schedule One to this Act."

" 'Terminal Elevator' means an elevator in the Western Division into which western grain is received after the issue of an inspection certificate under this Act or contemporaneously with an inspection under this Act upon which an inspection certificate is issued, and includes any elevator in Duluth or elsewhere in the United States of America where provision is made by the Board for the inspection of western grain under the provisions of this Act."

"Track Buyer"—"144. No person in the Western Division shall make any contract for the purchase of western grain, which at the time of the purchase thereof is contained in any railway car and is described by any grade name, on any terms other than the payment of the consideration payable for such grain in full in cash at the time of his making such contract, unless he is the holder of a track buyer's licence under this Act or is employed by the holder of such a licence and acts only on behalf of his employer."

"Commission Merchant"—"140. No person in the Western Division shall, for reward by way of commission or otherwise, act on behalf of any other person in buying, selling or arranging for the weighing, inspection or grading of any western grain described by any grade name, unless he is either the holder of a commission merchant's or of a grain dealer's licence under this Act or is employed by the holder of such a licence and acts only on behalf of his employer."

"Grain Dealer"—"149. Except as hereinafter otherwise provided, no person in the Western Division shall make any contract for the purchase of western grain by reference to any grade name unless he has obtained a licence under this Act either as a grain dealer or otherwise, or is employed by the holder of such a licence and acts only on behalf of his employer. (2) Nothing in this section shall apply to any contract for the purchase of grain on terms that the consideration payable under such contract is to be paid in full in cash at the time of the making thereof, or to any contract for the purchase of grain made on the premises of a recognized grain exchange by or through brokers who are members of such exchange and duly recorded pursuant to the rules thereof."

" 'Eastern Division' means all that portion of Canada lying east of the meridian passing through the eastern boundary of the City of Port Arthur."

" 'Western Division' means all that portion of Canada lying west of the meridian passing through the eastern boundary of the City of Port Arthur."
